CAPABILITIES STATEMENT

OBDURA prides itself on being an international brand.

* We are a multilingual team of over 10 languages
* We hire doctoral-level experts to collaborate and succeed as a group
* We are researchers, communicators, scientists, analysts, business men and more, linked by a drive to succeed and a commitment to excellence
* We undertake challenging missions every day in our respected fields, and to make them successful, we collaborate synergistically, combining our backgrounds and expertise to make them successful

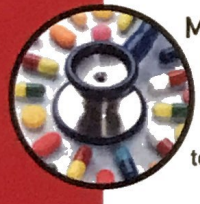
Established in 2014 with great hunger and ambition to succeed, we have already surpassed some companies who have been around for 20 years.

Professional Research & Consultancy

OBDURA personnel are able to work empirically and communicate findings to its clients effectively. We streamline your projects, hiring/firing, and can assist in your company's re-organizational process. We handle all facets of negotiations on our clients behalf. We use quantitative research and evaluation methods to apply best practices for your team. We teach people how to work better.

United States Government & NATO Contracting

We simplify your acquisition process. OBDURA is strategically located in central Europe, we have a unique understanding and execution of your operating environment, and if we are not certain, we are not afraid to ask questions and ascertain the knowledge for your project. We are readily available for in-person communication and site visits. We have expedient response of 24 hours within Poland, 72 hours in surrounding countries.



Medical & Pharmaceuticals

Receive VIP treatment with our medical professionals. OBDURA strives to get the very best and brightest doctors and experts in all areas of the medical field at an affordable cost to our clients. All our pharmaceuticals are 100% pure EU FDA approved medications able to be shipped to you. If you do not have a prescription, an online consultation with our physicians to receive your medications is available. Your health should not come with the additional strain on your wallet.

Retail & Trade Services

OBDURA is able to ascertain rare products of the highest quality from all over the world. We provide highest quality trade services to our clients always complying with customs laws and other regulations governing international trade at a competitive and fair price. We can get you that coveted toy to show off to your clients.

ALL OF THE ABOVE AND INCLUDING: Strategic planning and Execution, Marketing & Sales Management, Project & Program Management, Information Technology, Operational Efficiencies and Process Improvement

THE KEY DIFFERENTIATORS that set OBDURA apart from other companies is that we are a small Black-Hispanic American minority owned. We are based in Europe with extensive knowledge and experience; additionally, in the Middle-East and African markets. At OBDURA we pride ourselves on our reliability, client centered approach and unparalleled service.
